In Learning More About Epilepsy And Seizures Is Welcome To Call In.**

Description: The Epilepsy Center of Excellence and the Employee Education System are proud to announce a series of audio conferences providing education and training to VA patients and caregivers to improve the health and well-being of Veteran patients with epilepsy and other seizure disorders.

Outcome Objectives:

- Understand what depression is, what causes depression, and what are the symptoms associated with depression.
- Understand the relationship between epilepsy, seizures, and depression.
- Identify the effects of anti-epileptic medications on depression.
- Learn mechanisms, techniques, and strategies to manage, reduce, and control depression.
