Description: The Epilepsy Center of Excellence and the Employee Education System are proud to announce a series of audio conferences providing continuing education to VA providers to improve the health, well-being, and clinical care of Veteran patients with epilepsy and other seizure disorders.

Outcome Objectives:

- To appreciate the history of laws and rules regulating drivers with seizures and epilepsy.
- To understand the types of state and federal legal regulations for drivers with seizures and epilepsy.
- To appreciate the risks for crashes for drivers with epilepsy and seizures.
- To understand physicians' and health care providers' legal responsibilities when caring for drivers with seizures or epilepsy.

FY14 Audio Conferences:

9-10-14 - Dr. Zulfi Haneef
“Epilepsy and Imaging”

Please note that continuing education credits for Physicians and Nurses (ACCME, ACCME-NP, ANCC, CA-BRN) will be awarded for participants who complete the required evaluation.

Please feel free to forward this announcement to any colleagues who may be interested.
