**A Presentation for People with Epilepsy and Their Caregivers; Anyone Interested In Learning More about Epilepsy and Seizures Is Welcome to Call In.**

**Description:** The Epilepsy Center of Excellence and the Employee Education System are proud to announce a series of audio conferences providing education and training to VA patients and caregivers to improve the health and well-being of Veteran patients with epilepsy and other seizure disorders.

**Outcome Objectives:**

1. How quality indicators are developed.
2. The types of care that are important for patients who are newly diagnosed.
3. The types of care that are important for patients who have had epilepsy for a year or more.
4. The types of care that are particularly important for women with epilepsy.
