A Presentation for People with Epilepsy and Their Caregivers; Anyone Interested In Learning More about Epilepsy and Seizures Is Welcome to Call In.

Description: The Epilepsy Center of Excellence and the Employee Education System are proud to announce a series of audio conferences providing education and training to VA patients and caregivers to improve the health and well-being of Veteran patients with epilepsy and other seizure disorders.

Outcome Objectives:

- Understand the unique challenges faced by women with epilepsy
- Effects of epilepsy and seizure on women
- Effects of anti-epileptic medications on women, and how to deal with these effects
- Resources available to women with epilepsy and seizure
